

ATMED JOB MELA & INDUSTRY SEMINAR

REPORT 2026

Date: 7th May 2026

Venue: Centre for University Industry Collaboration (CUIC Block), Anna University, Chennai

Association of Tamil Nadu Medical Device Industry (ATMED)
In association with
Department of Biomedical Engineering, Anna University, Chennai

ABOUT THE EVENT

The **Association of Tamil Nadu Medical Device Industry (ATMED)** successfully organized the **ATMED Job Mela 2026** along with the **ATMED Industry Seminar 2026** at **Anna University, Chennai.** The event served as an important platform to strengthen collaboration between academia and the medical device industry by connecting students, industry leaders, manufacturers, consultants, and regulatory experts under one roof. The Job Mela created direct employment and internship opportunities for students from various engineering and science disciplines, while the Industry Seminar provided valuable insights into labour regulations, regulatory affairs, government procurement opportunities, and industry–academia collaboration. The event witnessed enthusiastic participation from students, faculty members, industry representatives, ATMED members, and invited experts from across the medical device ecosystem.

OBJECTIVES OF THE EVENT

- To bridge the gap between academia and the medical device industry.
- To create employment opportunities for students through direct company interactions. To facilitate networking between students, industries, and professionals.
- To promote industry–academia collaboration in the medical device sector.
- To create awareness on labour laws, regulatory requirements, and government procurement systems.
- To encourage skill development and career opportunities in the healthcare manufacturing sector.
- To provide a platform for companies to identify and recruit suitable talent.

- Conclusion. **06**

INAUGURAL SESSION

The event commenced with the Tamil Thai Valthu followed by the formal inaugural session.

SESSION HIGHLIGHTS

- **Tamil Thai Valthu** was rendered to mark the beginning of the event.
- Welcome Address was delivered by **Dr. M. Sasikala,** Department of Biomedical Engineering, Anna University.
- The participating companies were introduced to the students and attendees.
- The importance of industry–academia collaboration and employment opportunities in the medical device sector was highlighted during the session.

PARTICIPATING COMPANIES

The following companies actively participated in the ATMED Job Mela 2026 and conducted interviews for registered students:

- **Gesco Healthcare Private Limited**
- **Genuine Biosystem Private Limited**
- **Morrisons Lifecare Private Limited**
- **Cistron Systems Private Limited**
- **Cephas Medical Private Limited**
- **Serwell Medi Equip Private Limited**
- **AKAS Medical Equipment**
- **Solokrafts Industries**
- **Trans Health Care India Private Limited**
- **Shuter Enterprises India Private Limited**
- **Excel Optics Private Limited**
- **Synerheal Pharmaceuticals Private Limited**

The companies interacted with students, evaluated their technical and communication skills, and conducted recruitment interviews for various positions related to manufacturing, quality assurance, production, regulatory affairs, research, marketing, and operations.

STUDENT REGISTRATION & INTERVIEW PROCESS

Following the inaugural session, students proceeded to their respective interview halls allotted for the participating companies.

More than **140 students registered and participated in the ATMED Job Mela 2026**. The participating companies conducted recruitment interviews for various technical and non-technical roles within the medical device and healthcare industry.
The interview process included resume screening, technical discussions, and HR interactions. A total of **46 students were successfully selected** by the participating companies.

ATMED INDUSTRY SEMINAR 2026

The **ATMED Industry Seminar 2026** commenced at 2:00 PM with participation from industry representatives, faculty members, ATMED members, entrepreneurs, and students. The seminar focused on key industry topics including labour law reforms, regulatory compliance, government procurement opportunities, and strengthening industry-academia partnerships.

SEMINAR PROGRAM HIGHLIGHTS

WELCOME & FELICITATION

The seminar began with the National Anthem followed by the Welcome Address delivered by **Mr. Lloyd, ATMED**.
During the inaugural segment of the seminar :
Mr. Samuel, President - ATMED felicitated **Dr. M. Sasikala** with a memento and shawl in recognition of her contribution towards industry-academia collaboration.
A summary of the seminar objectives and event proceedings was presented by the compere.

SESSION 1

Awareness of the Four New Labour Codes (Government of India)

Speaker : Mr. V. Narayanan

Mr. V. Narayanan, an experienced HR & IR Consultant with more than 30 years of expertise in Human Resources, Industrial Relations, and Labour Laws, delivered an informative session on the Four New Labour Codes introduced by the Government of India.

The session covered :

- Overview of the new labour codes.
- Compliance requirements for industries.
- Impact on employers and employees.
- HR and industrial relations practices
- Legal and operational implications for manufacturing sectors

The session provided participants with practical insights into adapting to the evolving labour law framework and maintaining compliance within organizations.

Following the session,
Mr. Samuel, President - ATMED felicitated **Mr. V. Narayanan** with a memento and shawl.

COMPANY RECOGNITION & FELICITATION

As part of the seminar, companies that played a vital role in conducting the **ATMED Job Mela 2026** were recognized for their support and contribution.

Dr. K. Bangarurajan, Former Joint Drugs Controller (India), CDSCO, New Delhi, presented mementos and shawls to the participating companies in appreciation of their efforts in supporting student recruitment and industry engagement.

SESSION 2

Regulatory Insights &
Industry – Academia Collaboration

Speaker : Dr. K. Bangarurajan

Former Joint Drugs Controller (India), CDSCO, New Delhi

Dr. K. Bangarurajan delivered an insightful session focused on regulatory affairs and the importance of collaboration between industry and academic institutions.

Key discussion points included :

- Medical device regulatory framework in India.
- CDSCO regulations and compliance expectations.
- Importance of quality systems and documentation.
- Regulatory pathways for manufacturers.
- Strengthening industry academia partnerships.
- Skill development and innovation opportunities.

The session offered valuable guidance to manufacturers, entrepreneurs, faculty members, and students regarding the evolving regulatory landscape of the medical device industry.

Following the session,
Mr. T. Jayasing Morris, Coordinator and General Secretary - ATMED felicitated **Dr. K. Bangarurajan** with a memento and shawl.

SESSION 3

Opportunities & Challenges on Government e-Marketplace (GeM) and E-Procurement Portals

Speaker : Mr. Nageswaran

Tenders Diary Services Pvt. Ltd

Mr. Nageswaran delivered a detailed presentation on opportunities available through Government e Marketplace (GeM) and e-procurement systems.

The session covered :

- GeM registration procedures.
- Government tender participation.
- E-procurement compliance requirements.
- Opportunities for MSMEs and medical device manufacturers.
- Digital bidding processes.
- Challenges faced during tender participation.
- Strategies for successful procurement participation.

The session provided practical guidance for companies looking to expand their business opportunities through government procurement platforms.

Following the session,
Mr. Murali Speaker - ATMED felicitated **Mr. Nageswaran** with a memento and shawl.

VOTE OF THANKS

The event concluded with a Vote of Thanks delivered by the **Ms.Divya Sindhu M**, expressing gratitude to :

- The distinguished speakers.
- Participating companies.
- Faculty members and Anna University officials.
- ATMED office bearers and organizing committee.
- Students and attendees.
- Volunteers and support staff

The event concluded with a Vote of Thanks delivered by the compere, expressing gratitude to :

- The distinguished speakers.
- Participating companies.
- Faculty members and Anna University officials.
- ATMED office bearers and organizing committee.
- Students and attendees.
- Volunteers and support staff

The seminar concluded successfully with active participation and meaningful interactions among all stakeholders.

EVENT HIGHLIGHTS

- Successful organization of ATMED Job Mela 2026 with active student participation.
- Participation of leading medical device and healthcare companies.
- Direct interaction between students and industry professionals.
- Awareness sessions on labour laws and regulatory compliance.
- Valuable insights into GeM and e-procurement opportunities.
- Recognition of companies contributing towards student recruitment and internships.
- Strengthening of industry - academia collaboration.
- Enhanced networking opportunities for students and industry representatives.

CONCLUSION

The ATMED Job Mela & Industry Seminar 2026 successfully achieved its objective of connecting academia with the medical device industry while creating a strong platform for knowledge sharing, recruitment, collaboration, and professional development. The event highlighted the growing importance of industry engagement in shaping future healthcare professionals and strengthening India's medical device ecosystem. Through recruitment activities, expert sessions, and collaborative discussions, the program provided meaningful opportunities for students, industries, and academic institutions alike. ATMED extends its sincere gratitude to all participating companies, speakers, faculty members, students, organizing teams, and supporters who contributed towards the grand success of the event.

Mr. T. Jayasing Morris, Coordinator and General Secretary - ATMED, conveyed his heartfelt thanks to all participating companies, speakers, academic institutions, industry representatives, volunteers, and students for their valuable support and active participation in making the event successful.
He also encouraged industry members, students, and stakeholders to continue supporting and actively participating in future ATMED initiatives, seminars, training programs, and upcoming industry events aimed at strengthening the medical device ecosystem in Tamil Nadu and across India.
